iForest – Biogeosciences and Forestry – doi: 10.3832/ifor3309-013

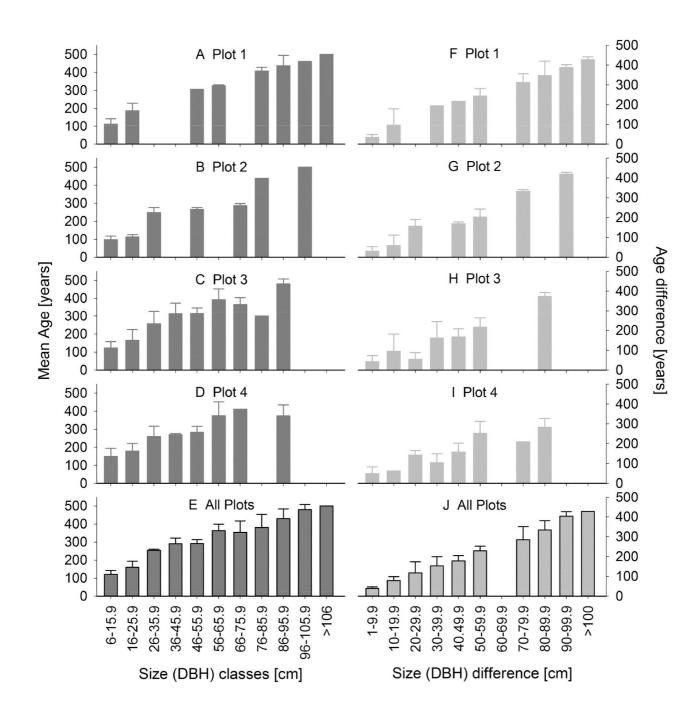

Supplementary Material

Fig. S1 - Scatterplot of the range in tree sizes for a given age class and the range in tree ages for a given size class.

iForest – Biogeosciences and Forestry – doi: 10.3832/ifor3309-013

Fig. S2 – Tree ages and age differences by diameter size classes.

iForest – Biogeosciences and Forestry – doi: 10.3832/ifor3309-013

Fig. S3 - Stem-maps indicating spatial distribution of even-sized neighborhoods.
